**BOOK YOUR ROOMS DIRECTLY WITH THE LOCAL HOTEL.
PLEASE, DO NOT BOOK ONLINE OR USE A THIRD PARTY (Oribtz,
Hotel Planner, etc) TO RESERVE YOUR ROOMS.**

For Best Rates at larger hotels set up a block of 8-10 rooms.

Please do not "OVER" block. Estimate your total room needs & communicate with your team.

Individual Reservations

If each family is making their own reservations, we request each family to fill out the **Lodging Registration Form** found on the Woodside website.

Block Team Reservations

I. Single-team Organizations

To set up a block of rooms at the larger hotels contact group sales. They will give you a block code to share with your families. Each family will then book and pay for their reservation. We ask teams to prepare a single lodging registration form for team block reservations.

II. Multiple-team Organizations

If you are bringing multiple teams from the same organization, follow the same steps. Please submit a different registration form for each team.

ALL TEAMS

- When making reservations please reference **WOODSIDE15**. This is not a DISCOUNT code, it is used for tracking purposes. Partners will give you the best rates possible.
- Teams/Coaches/Parents are responsible for making their own reservations.
- **Prices are not listed you will need to call the lodging partner directly to receive rates!**
- We request that you DO NOT book your reservation through a third party when booking accommodations (travel agents, Expedia, Hotels.com, etc).
